Mr Speaker. I, therefore, said that the reples to questions should be given in Hindi or Urdu

## Demands for grants

21st funte, 1952
Mr. Speaker - What is the aggregate amount *
Shri VD Deshpande As regards the demand relating to Police, the original figure given is Rs. 3,34,52,000 This figure has been later changed

Shru Digamber Rao Bmdu The correct figure is Rs 2,66,91,000 Rs. $3,34,52,000$ is a misprint.

The total aggregate is Rs. 3,48,03,250
Mr Speaker - Hon Member Shri Deshpande, wanted figure to be corrected.

Shn VD Deshpande The correction I pointed out was that under the demand for Police, the amount shown was Rs $3,34,52,000$. Later on, we have been informed that there was some wrong calculation and the amount should be Rs 2,66,91000 That correction was not there

Mr. Speaker: Is it correct?
Shru Dtgambar Rao Bındu. Yes.
Mr Speaker - Motions for grant of Demands Nos 6, 19, 41, 42,83 and 95 making an aggregate of Rs. $3,48,03,250$ moved.

"To reduce the allotment of Rs. $12,00,000$ for Charges on account of Motor Vehicle Acts by Re. 1 to discuss the Motor Vehicle Policy of the Government."

Shri V.D. Deshpande : Mr Speaker Sir, I beg to move a eut-motion to Demand No 19 to reduce the allotment of Rs. 2,79,400 for Home Department by Re $x$ to discuss the Home Polcy of the Government

Mr Speaker. Motion moved:
"to reduce the allotment of Rs. $2,79,400$ for Home Department by Re. I to discuss the Home Policy."

Shn KV Narayan Reddy (Rajgopal Pet) Mr Speaker Sur, I beg to move a cut motion under Demand No 4I to reduce the allotment of Rs 27,51,000 for Jalls and Convict Settlements by Rs. 100 to urge upon the Government to dispense the caravan of non-mulki and unqualified officers from the jall Department and replace by qualfied Hyderabadis immediately

Mr Speaker Motion moved

Shri KV. Narayan Reddy Mr Speaker, Sir I beg to move a cut-motion to Demand No 4 I to leduce the allotment of Rs $27,51,000$ for Jalls and Convict Settlements by Rs, 100 to elicit information as to how the produce of Jals ane being utilsed.

Mr. Speaker . Motion moved

Shru V.D Deshpande: Mr Speaker, Sir, I beg to move a cut-motion to Demand No 41 to reduce the allotment of Rs $27,51,000$ for Jalls and Convict Settlements by Re. y to discuss the Jall Admunstration

Mr Speaker - Here, the hon. Member puts "to discuss the Jail and Convict Settlement Policy." I thumk that is more specficic and definte.

Motion moved :
"to reduce the allotment of Rs. 27,51,000 for Jals and Convict Settlements by Re. 1 to discuss the Jall and Convict Settlement Pollcy."

Shri K. Ramachandra Reddy (Ramannapet) : Mr. Speaker, Sir, I beg to move:
"That the demand under the head 'Jails and Convict SettJements' be reduced by Re. I."

I want to discuss the policy of repression regarding detenus and convicts.

Demards for grants 21st fune, 1952 559
Mr Speaker As this cut motion is almost the same as cut motion No 3, which has been moved already, we shall discuss it along with it

Shn V.D. Deshpande Mr Speaker, Sir, the difficulty is Earher we consulted the Secretary and were told that we can discuss general policy, but he sard that a specification is necessary That is why the subject of discussion was changed just now We could not alter it in the original motion eariner

Mr. Speaker I would like to know who wants to discuss the policy and who wants to discuss the administration

Shri V D. Deshpande. That is why I sard 'Jal administration'
Mr Speaker Shrı Ramachandra Reddy wants to discuss the policy then?

Shrt V D. Deshpande No, he has sa1d ' repression in jalls'
Mr Speaker. It does not matter whether it is repression m jails or policy

Motion moved
"That the demand under the head 'Jals and Convict Settlement' be reduced by Re I"

Shn KV Narayana Reddy Mr Speaker, Sir, I beg to move:
"That the demand under the head 'Jauls and Convict Settlements' be reduced by Re 1 to discuss the inhuman treatment meted out to the prisoners in jails by Superintendents, Jalors and Warders."

Mr. Speaker. I am afratd that ' inhuman treatment to prisoners' and repression in jails is covered by cut motion No 4. One hon. Member has moved it just now saying that he wants to discuss repression in jauls. So practically this goes with it. It is not a separate one because there also it was Re. I. Yesterday some distunction was sought to be made on the ground that in some case the cut was Rs 100 and in another it was $\operatorname{Re} I$ The cut motion moved by Shri K. V. Narayana Reddy should be bracketted with cut motion No. 4.

Shri V. D. Deshpande. Mr. Speaker, Sir, in the Legıslative Assembly Rules, it is stated that if smilar cut motions are tabled in respect of the same demand, then they will be taken up in such when you say that it will be bracketted with motion No. 4, that it will be taken up one after another?

Mr Speaker: What I want to suggest is that as a cut motion it will not be put to vote Of course, the hon Member will be allowed to discuss it, because the cut motion is practically the same.

Shr A. Guruva Redly: I beg to move:
"That the demand under the head 'Jails and Convict Settlements' be reduced by Re. 1 to censure the Governmont regarding the treatment given to political detenus and prisoners."

Mr. Speaker. The hon Member has said 'the working of Jail and Convict Settlement' It is already there in No 3

Shr Guruva Redly : But, here a specific matter is omitted and I wanted to mention $1 t$, viz., the treatment given to detenus and political prisoners.

Mr Speaker: At the time when the cut motions were given this point was not before the hon. Members The cut motion is . "that the demand under the head ' Jails and Convict Settlemints' be reduced by Re. I" Motion moved

Shri Viswanath Rio (Laxettupet General). Mr. Speaker, Sur, I beg to move -
"That the demand under the head 'Ponce' be reduced by Rs. $34,52,000$ to discuss the refusal of supplies."

Mr. Speaker : But in my copy, it is the full amount.

Mr Speaker Motion moved: "That the demand under the head 'Police' be reduced by Rs $34,52,000$ " to discuss the repatriation of outside batallions.

Shri V. D. Deshpande . Mr. Speaker, Sir, I beg to move :
"That the demand under the head 'Police' be reduced by Rs. $7^{5,00,000 . " ~}$

I had earher put Rs $1,50,00,000$, because the earher figure given against this head was Rs 3 crores and odd. As a correction has been made in that figure, I am also making a correction in my cut motion, and have now put it as Rs. 75,00,000.

Mr. Speaker : Motion moved. "That the demand under the head 'Police' be reduced by Rs. $75,00,000$ " to discuss economy in the Police Department.

Shn A Guruva Reddy. Mr Speaker, Sir, I beg to move :
"That the demand under the head 'Police' be reduced by Re. 1 to discuss the repressive policy of the Government carried on through the Police Department in Telangana."

Mr. Speaker ' Motion moved: "That the demand under the head 'Police' be reduced by Re. I to discuss the repressive policy of the Government and the working of the Police Department in Telangana"

Shri K. Ramachandra Reddy : Mr. Speaker, Sir, I beg to move -
"That the demand under the head 'Police' be reduced by Re 1 to discuss the policy of the Police Department spectally with regard to the increase of Police Stations."

Mr Speaker. Probably in Telangana!
Shri B. Ramakrishna Rao - Your presumption is right, Sir.

## Shn K Ramachandra Reddy : Yes.

Mr. Speaker Motron moved - "That the demand under the head 'Police' be reduced by Re I to discuss the policy of the Police Department, Particularly with reference to the increase in the Police Stations in Telangana,"

Shri B Krishnatah (Khammam General) I beg to move "That the demand under the head 'Police' be reduced by Re 1 . to discuss the armed police camps in Telangana"
Mi. Speaker. I think it should be 'the continuance of the armed police.'

Shm B. Ramakrshna Rao: Will it not be better to drop it Sir , I think there is one already.

Shri V.D. Deshpande • The one before is regarding the repatriation. This is about armed pohce camps in Telangana.

Mr Speaker: Whether the police are repatrated or not they should not be there !

Shrt V.D. Deshpande : Police camps are different from Police Stations.

Mr. Speaker: Motion moved: "That the demand under the head 'Police' be reduced by Re. y to discuss the pollcy of the Police Department regarding, the contunuance of the armed police camps in Telangana.,

Shr K. L. Narasimha Rao (Yellandu-General) Mr. Speaker, Sir, I beg to move "That the demand under the head 'Police' be reduced by Re 1 to discuss the anti-communist policy of the Government."

Shri V.D Deshpande - There is one ant1-communist scheme mentroned in the Budget.

M Speaker- Motion moved: "That the demand under the head 'Police' be reduced by Re I to discuss the anticommunist scheme of the Government."

Shrz B. D. Deshmukh (Bhokardan-General) : Mr. Speaker, Sir, I beg to move : "That the demand under the head 'Police' be reduced by Re I to discuss the increase in the Police Force."

Mr. Speaker Motion moved: "That the demañd under the head 'Police' be reduced by Re. I to discuss the increase in the police farce."

Shri Kankanti Srinivas Rao (Dichpallh) Mr. Speaker, Sir, I bees to move: "That the demand under the head 'Police' be reduced by Re. I to dascuss the poliey of recrutrment to the Police Department:"

Mr Speaker Mouon moved " that the demand under the head 'Police' be reduced by Re. I to discuss the policy of recruitment to the Police Department"

Shri V D Deshpande Mr Speaker, Sir, I beg to move "That the demand under the head 'Capital outlay on Road Transport Schemes' be reduced by $\operatorname{Re} \mathrm{I}$ to discuss the working and policy regarding Road Transpo t Department"

Mr. Speaker. Motion moved "that the demand under the head 'Capital outlay on Road transport schemes' be reduced by Re. I to discuss the working and policy regarding Road Transport Department"

The cut motions are mainly to Demands Nos. 41 and 42. I thunk these are the more important items which the hon. Members want to discuss Of course, there are cut motions regarding demands Nos. 6, 19 and 95 also. We shall now proceed in the same manner as we did yesterday.

1 think the Police Department has been under discussion from the very beginning and probably no day passes without any critcism of the Department. I only suggest that the same things may not be discussed again and again, it will not be worthwhile to reiterate the old arguments and repeat the same over and over agan Shri Deshpande

Shri V.D.Deshpande. At the outset I wish to make it clear that I will restrict myself to the only problems that are necessary to be dealt with here

Mr. Speaker : That is why yesterday I said that self imposed restriction is more helpful than restriction imposed from outside.

Shri V.D. Deshpande • As regards the Police Department, it is the most important one, and I have been rightly or wrongly often accused of having termed the whole budget as the 'Police Budget' and it was pointed out to me that no concrete suggestions were made and only observations were made.

Mr. Speaker - I am not making it a rule, but would it not be better if the hon. Member speaks in Hindustani.

Shri V D. Deshpande: As my colleagues will be speaking in Hindi, I may be permitted to speak in English.

In my Cut Motion on Demand No. 42, I had suggested a cut of Rs. 75 lakhs, under the existing demand of 2 crores 66 lakhs

The Police Budget in Hyderabad State in I946 was 67 lakhs 59 thousand rupees. In 1947 it mereased to 94 lakhs 50 thousand ; firstly due to a revision in pay scales and secondly due to the fact that the then Government was preparing for an onslaught on the rising peoples' movement. I would put it the first as 'peak period' in the Police Budget of Hyderabad State After that, in 1948 , the budget increased to $x$ crore 38 lakhs and later on after the Police Action from 1949 to 1951, it increased from 2.53 crores to 568 crores That was the second 'peak period' . This increase too, I submit, was directed as an onslaught on the peoples' movement

These are the two 'peak periods' in the Police Budget of Hyderabad State. When I said that the Police Budget should be reduced, I had suggested that as a first step we might go back to the r $949-50$ level, when the Pol ce Budget was just 2.53 crores. I am taking into consideration the merease that has taken place since 1949. Having gone through the figures, I find that various aspects have been added to the budget, which demanded more money since 1949, the biggest of which is the increase in sumed forces in Telangana There are about 8,277 armed polce men now, conssting of 6 HSRP. Batallons and on this the expenditure per year is Rs 8043 lakhs I propose that these forces should be decreased.

The second aspect is that untll May, 1952, the outside Polce Forces have been repatriated and accordingly a cut of 516 lakhs has been effected But still there are about 42 officers of Gazetted rank and many more of lower ranks If they are also repatriated, a saving of Rs 15.54 lakhs is possible

Then, there are 8 I Police Stations, which were added, according to the report of the Police Department, because of the particular situation obtaining in Telangana. I feel that if these $8 \pm$ Police Stations can be abolished, a saving of about 18.18 lakhs is possible.

Then, on the Railways, we have armed guards and I feel that the present situation does not warrant any necessity of continuing it Moreover the Railways have been taken over by the Centreand therefore the maintenance of law and order, must righty be the respocssibility of the Centre and they should bear the

Then comes the well-known Motor Transport Department, under which lakhs of rupees are being spent by the Poltce, in running the Jeeps from one place to another. I have found, in my talks with some of the hon Ministers, that just to punish two or three ant1-social elements, about a thousand or more of the armed personnel are mobilised in the surrounding areas After combing the whole place, they just find some shepherd, who is probably giving food to those three or four so-called antr-social elements. Just for this purpose, the Jeeps and motor cars are run and hundreds and thousands of rupees are spent. I think this is an unnecessary item of expenditure. This Motor Transport Department should also be abolshed which will result in a saving to the tune of Rs. 1834 lakhs.

Then there is the so-called Antr-Communist Scheme, which in fact means Wireless Scheme or an increase in the number of Wireless Police Stations. I do not know why this is called the 'AntiCommunist Scheme' when it should be called the 'Wreless Scheme'. Somehow it has come to be called the 'Antt-Communist Scheme' and probably our Government could not resist the temptation of calling it so. I should think that in simple English this only means an increase in the number of Wireless Police Stations. The amount spent on it is Rs 55 lakhs, which, I think can mmediately be stopped.

Then comes the uncrease in the number of the Police Stations. In the Gorwalla Committee recommendations, it is stated that the police forces in the Hyderabad State can be immediately reduced to 24,000 . Now, encluding the armed forces, the strength is 41,000 and if they are excluded, the figure comes to about 29,000 Possibly, it can be reduced to 24,000 safely and that will mean a saving of an expense on 5,000 police forces. As per my calculation, the expenditure on 41,000 forces comes to about Rs. 5 crores or in other words, I may roughly say that 1,000 rupees are spent on each Constable. Therefore, if these 5,000 constables are reduced, the saving will come to about Rs 50 lakhs of rupees. Apart from the suggestrons that I will be presently giving to reduce the higher cadre, .... I am sorry, I have forgotten one more item,.$e$, , C I.D These C I D's are costing us at present 18.08 lakhs, as per my calculation from the figures given in the Budget, I notice that the increase durng the last one or two years has been about 7 lakhs Therefore, that increase can be safely excluded and so altogether we will be saving an amount of 2 crores 52 lakhs. In this, of course, for the purpose of calculation, I have taken the 5 I lakhs spent on the Police forces repatriated, that is, non-recurring item and, therefore the saving which Thave proposed will come to $\mathbf{2}$,crores immedately In these 2 crores, the hon Finance

Munster has promesed that 68 lakhs or so has been already contemplated as economy Of course, only 9 months are left and, therefore, I calculated that the economy of Rs 2 crores will come to about Rs I crove and if the amount of 68 lakhs is also taken away from that, it may come to about Rs 80 or 85 lakhs There is also the question of repatriation of all outside officers and also the disbandment of HSRP But tume may be required for that and, therefore I do not want to be very exact I want to leave about io lakhs for that for the coming two months and, therefore, I have put a round figure of 75 lakhs which can ammedrately be effected as a cut in the Pohce Budget Day in and day out, we have been charged that we have got romantic schemes and we do not put concrete schemes. How many matters are put before us? I believe, the scheme as explained does not give any romantic suggestions of disbanding the police forces altogether of course, I propose certan stages: First to reduce it to the level of 1949/50-not altogether disbanding the police forces-and then to reduce it to 24,000 in the second stage. This could then be reduced further and brought to the level of 1947 Arguments were put forth yesterday that there was increment in the salaries and allowances after 1946 and we cannot reach the level of 1946. I have taken that unto consideration and I believe that the $1 \frac{1}{2}$ crores sugges* ted by me is a practical thing This I am placing before the House for their consideration and I am confident that it is practicable in the coming three to six months. The question may be put. 'What will happen to the 6 batallions, if they are disbanded? If the House permits me, I will say that in the H S R P out of the 6 batallons, one batalion that came from Mysore has been absorbed altogether. Therefore, more or less, they do not belong to this State and there is no responsibility for us to maintain them and they can be immediately sent back Our contract with them is to pay them one month's salary and we can ask them to go back to Mysore. In this way, one batalion can be immedrately disbanded As regards the other 5 batallions, the details with me show that 6,623 have been recruited from Madhya Pradesh, Uttar Pradesh, Bombay and Madras. They can be asked to go back and there would not be any responsibility for us beyond paying them one month's salary In this way, the 6 batallions can be disbanded and after that, the remanning personnelabout 1,500 -can be left in charge of our hon. Labour Minister. He has got so many schemes of planning and projects and I believe, the personalel can be absorbed there. Any way, they are temperarily taken and they can be disbanded like this

As repards the 经 polliee stations, I have to state that on the pxetext of 'abuermal fibaztion' they have been located in the Districts of Warargal, Kamimagar, Nalgonda, etc., and I am sure

It d wise policy is pursued by the present Government there will not be any necessity of keeping these police stations These police stations should be mmediately abolished

Regardıng other matters, I need not go much into them. but I beheve that it is possible to reduce the pohce forces But I would like to make remarks on the situation in Telengana It has been said by the hon Chief Minster and also by the other Ministers that unless and until the law and order is guaranteed in Telengana, it is not possible to reduce armed forces. As I said the other day while mitiating the general discussion on the Budget, it is not possible to suppress the people's movement with bayonets and armed forces and I repeat it now also. The hon. Chief Minister made an observation that we have got so many things in the Tenancy Act and we have to give guarantees to the tenants and with all that the Opposition does not apprectate it But may I ask here Have not the peasants in Telengana, their mass organisation and the Communst Party made radıcal changes in their whole outlook and policy Have not they withdrawn the armed struggie categorically and unconditionally?

Are not the members of the Communist Party along with other Democratic parties working here in the Legislature 9 Have they not made it very clear that as long as democratic methods are avanlable, they want to pursue them? Have they not made it very clear that it is not by individual terrorist acts or by killing or murdering any officer that the Communist Party thinks that revolution comes? Have they not made at very clear that the Communist Party belreves in the raising of masses and not in individual actions ${ }^{?}$ If all this is not clear, if all this is not understood, if all this is not appreciated, how does the Treasury Benches expect us to appreciate that they have made certan changes in the Tenancy Act " Will it be wrong if I should observe that the changes in the Tenancy Act have been rendered necessary because of the revolt of the peasants of Telangana aganist the landlords ${ }^{7}$ The Treasury Benches want to take credit for thas, and yesterday they put in a very glorified manner; but I say the credit goes to the first greatest Peasants' Revolt in India, in Telangana (Cheers). The credit must be given where it is due. One may call them devl, but the devil has to be given credit. We, for our part, do not call them devil - they have shown the path; they have shown to the world that, if an autocratic regime is there, for the people, there is no other alternative left but to rise in revolt. They will again rise in revolt if one rules autocratically (Cheers) I want the Treasury Benches to understand that we have made a radical change, a fundamental change, in our policy; that We are pledged to democratic methods as long as the Party in power is
pledged to democratic methods, that as long as they are pledged to follow the normal way we will also follow the normal way, that we have withdrawn the armed struggle theie and we can pledge here that as long as they tollow ordinary methods-democratic methods-attention to the demands of the peasants-we are here to co-operate with them on that matter as well (Cheers).

Much criticism is made about arms The question is also rased by some Members of the House on the right that certan meddents have taken place. May I submit, Sir, that the other day, the Chief Minister was saying that our District Adminstration is working with certain defects ? Things do happen, but one must see our policy. When he pleads hlke that, how is it that he has not been able to have the same frame of mind while judging the thungs happening there ${ }^{9}$ I told the Home Minster that if uncidents take place anywhere, they may be brought to the notice of the Communist Party and the Andhra Mahasabha and we shall see that things follow according to the declared policy of the Communist Party and the Andhra Mahasabha If incidents have taken place, we belreve, they might have been manouvered by the police force there, the armed force there, to justify their contunuation there I am afrad that it is quite possible. The second possibility is this The parties working there, the political parties including the Congress Party, may be feeling that for the Congress to exist theie, they will have to beat the Communist Party and the Peoples' Force there and things have to be manouvered to that end If you permit me, Sir, I may tell a small story - It seems one Sadhu advised a snake that it should not bite anybody. The snake accordingly stopped biting. What happened then ${ }^{5}$ Every one an the village, uncluding small chuldren, hit it hard and pelted stones at it ; yet it did not bite. An year passed and the Sadhu returned Only the skeleton of the snake was there left The Sadhu asked "What is the matter "". The snake said: "You advised me not to bite. The result is this. I am reduced to a skeleton" I am describing the actual sttuation in Telangana During the period of elections, the other parties hurled abuses at us; they have squatted on our faces in certain places; they have disturbed our meetings, they have run their jeeps into our meetings and disturbed them When I was holding a meetung in Gangapur, I put it here as a fact, that some members including the brother of an hon. Member of the House ran therr jeep into the meeting to disturb it. I say, this is a fact and let the Member from Gangapur answer it. I told them "Even though you disturbed our meeting, we stand for peace". The Congressmen have tried not once, but many times, to provoke us Is it not a fact that the forces of the Congress Party have tried to provoke the

Demands for grants
Communist Party, the Andhra Mahasabha and the Kisan Workers, etc so that they may have something to beat us with a strck. I wrsh to make it clear Sir, that we stand for democratuc methods, we are pledged to democratic methods as long as they are pledged to them (Cheers) and will carry our word and we want to see how they carry therr word.

There is another cut motion on the Home Department I am linking it up with my arguments

Mr. Speaker Nearly half-an-hour over.
Shri V. D. Deshpande The matter is important and if a little concession is given, I believe the matters may be made very clear

My cut motion relates to the Home Department. The Home Department has not released as yet the three hundred more detenus In West Bengal all the detenus were released. In other States too, the detenus were released. Shri Nehru promised in Parlament on the floor of the House that "I have directed the State Governments to release all the detenus". But I find a strange argument here and it is this. Our Government sent all the cases of detenus to the Advisory Board I do not understand why When the Government feels that the grounds of detention no more hold good, and when peaceful station is obtaining, why should the Home Department ask the Advisory Board to give its advice? The Advisory Board comes in to give protection to the detenus when the Government wants to continue detention ; but here I find a strange argument that the Government wants the advice of the Advisory Board to release the detenus. When the Government feels that they should be released and if the arresting authority feels that the situation had changed, it 18 my contention-a legal contention-that it is not at all necessary to consult the Advisory Board It is only when the Government wants to continue detention the Advisory Board comes in and ether approves or disapproves the detention. Therefore, I appeal to the Home Minister that all the detenus in the Hyderabad State should be forthwith released. I put it as a pledge here that notking untoward will happen on their behalf and that they will be working as we are working here and the Government should have no apprehenston whatsoever in that behalf.

In view of the categorical assurances given by us on the floor of the House and with all important leaders of the party either in the House of People, Councl of State or this House, how is if that the Government believes the reports of petty officials that
the Communist Party is going to start an armed struggle within two months? Does it stand to argument that the main cadre of the Commumst Patty would be in the House and then a movement of armed struggle would be started again within two months? The members of the communist party, members of the State Committee, members of the District Committees and members of various other committees are now elther in this House or in the House of People and yet I see so many strange stones in papers about a contemplated armed struggle within the coming two months. I believe that they have been intentionally putting there probably to affect the bye-election, probably to support the continuation of the armed forces and probably the Congress thereby might be thinking that it could organize and strengthen its organisation in Telangana Let me submit, Sir, that by resorting to such propaganda no organisation-be it Congress or any other-can be strengthened. The peoples' organisation has to serve the people. If the Government thinks that by repression they are going to strengthen their party in Telengana, I think they are living in a Fool's Paradise (Cheers) It is not possible The previous Government has seen and this Government too has seen during the last three years that it is not through repression that a people's movement can be stopped It is through meeting their legitimate grievances and demands that we will be able to do so many things I do not understand why the Home Department is pursuing these policies which are detrimental to the interests of the people Why is it that they have not decided to release all the detenus. Why have they not withdrawn all the cases of under trials? I told in this House, Sir, many a tume-that things had happened in Telangana in an abnormal situation The ruling party has also done that The other day I heard the hon Member from Patoda declaring that they burned the customs nakas Yes, this is nonvolence, complete non-violence! Then comes the Umri Bank, and so many other things are there The Treasury Benches feel that they should be exempted They have exempted them and they have not put cases against them and they have not asked them to stand in the dock and take the trial Why is it that they want the Communst Party and the Andhra Mahasabha to stand in the dock? I throw a challenge. We are prepared to take and face the trials provided they are prepared to put on trial all their officers including Nanjappas and those who have committed hundreds of atrocities and murdered our people, It is a challenge to the Government which I throw from the Floor of the House. Yes, we are ready to go to gallows provided they are prepared for that. Are they prepared to take this challenge? Or'are they goung to say that they are executing their duties as Government officers-I do not know how farthey should not be candenneed for that

I say on behalf of the Communist Party that we are doing ou dutres as soldiers through instructions from the Communist Party (Cheers) If the Government wants to have a truce, if it wants - to have a settlement with the Communist Party and if it wants to have a peaceful atmosphere in the Hyderabad State, in Telangana, it is absolutely necessary that it should change its policy They should follow the normal process-of law Nether the police nor the Advocate-General is going to solve the problem

Just as they have one test that they fought for peoples' movement and therefore they exempted all including those who looted the Umni Bank there are many members here who may have been amongst them-who committed those atrocities who are the trustees of the fund which is being used for the Congress

## Shrv Phoolchand Gandhr (Interrupting) Is it so ?

Shri V D. Deshpande. Yes 9 lakhs of that amount has been transferred to the Congress and there is a trust fund which is being used by the Congress I do not condemn it I think it was right for the people to rise in revolt agannst the Razakar Government I do not condemn the Congress for that; but at the same tme, they should not also condemn us, peasants of Telengana who have risen in revolt against the atrocities of the Razakars and landlords and aganst the antu-people policy after the Police Ac ion Dr Jassoorya made it very clear in the House of the People that he told General Choudari that we were prepared to surrender arms at that tume but General Choudari sard that Sardar Patel had ordered to suppress the communists and that he had to carry out those orders If this was a fact, who is responsible for all that had happened in Telengana ${ }^{9}$ Therefore, I plead with the Govt that if really they want a change and to have a peoples' budget here, it is absolutely necessary that their vindictive attitude should be changed in the common interests of the people of Hyderabadthe Andhras, the Maharashtrians, the Kannadigas and the other language-speaking people it is equally absolute'y necessary that the oppressive policy should be changed and instead a fundamental change should come in the approach and outlook. The vindictive mood should go and then only it is possible to have a normal situat'on in Telangana in the near future. I assure you, Sir, and through you, the House, that those of our comrades who are roaming about in forests and on hil's are there, not because they want so or use arms aganst others, but because they are not assured of any amnesty, safety of hife and liberty to work normally. Does the Government do this, as they did in the case of several congress men after the Police Action? I want to put a parallel They will be out; they will hand over arms; and who want really to have a people's budget and a people's policy After all these assurances, I will again appeal to the Government, Sir, that the necessity for armed forces in Telangana is not there. It is necsssary to create confidence, mutual confidence, on both sides and it should be possible when we have declared very clearly that this is the path we are going to follow in future Have belef in us Believe our assurances and beleve the assurances of our comrades and important leaders, and just open a new path, just have a new leaf, just let us have a clean slate on which we can agree and go together.

Therefore, Sir, whule moving this cut motion to the Demand of the Home Department, I have again to plead that the situation in Telangana can be brought to normalcy provided they weed out suspicion, eschew their policy of retaining armed forces there and do away with their policy of vindictive actions and measures taken there so far Incidents that have taken place during the last three months, I am not going to relate here, I have to simply answer certain allegations which were made against the communist party and the party which is working in Telangana May I ask the Home Minister, Sir, whether it is or could be a fact that in Telangana we are talking through wireless with Moscow $>$ Let documents be put on the table here. One hon Member on the other side has the audacity to say that we are talking on wireless with Moscow

Shri L. K. Shroff (Raichur) • Is 'Audacity ' a parlamentary word ?

## Mr. Speaker Yes.

Shri V.D. Deshpande And the Home Department has approved of it ! A worthy Department I What an efficient department! With all the 41 thousand forces there! Should such an irresponsible statement be made on the floor of the House without substantial proof When I had the honour to ask the hon. Member to put the documents on the table of the House, he wanted 'notice'. To make observations here without having any proof and documents passes beyond my comprehension.

Another argument made by some of the hon Members in the House there and some of the responsible Heads of the Congress Organisation outside is that we want to sell India to some outside Coutury.

[^0]in Hyderabad, and we are proud to say that we were one of thic founders of the State Congress when it was really a people's organisation, and they know that we have sacrificed and stood for the cause of freedom in the last 15 years, how is it that the head of a responsible organzzation as the State Congress has made an allegation here that we want to sell India I wish to declare here that we stand for the sovereignity of India much more than anybody else in the House and that we will fight any force, whether it is from this side or that side, from the easternside or the westernside We stand for the soverengnity of India, we stand for the freedom and democracy for the peoples of India; and these charges I refute very boldly and very stoutly here and say that they have done injustice to us and to the freedomfighters, when we are fighting for the last 15 or 20 years

Another argument that was made here and more' cursorily that there is some Centre in Europe from where durections are coming to us

Shry Phoolchand Gandht Is the hon Member sticking up to the cut motion or making general remarks?

Shri V.D Deshpande I thank I am strcking to the cut motion, and I have to make these observations here because it is satd that armed police are necessary in Telangana, because of the policy of a particular political party I wish to make it clear that we are as patrotic and as much interested in the people as anybody else Unless I make that point clear, I shall not be able to persuade and convince the Home Minister and the Chief Minister to take away the armed forces from Telangana

The other day I had the honour to appeal to the Speaker, when the question of privilege came, to refer to the practice in the House of Commons When we refer to the practice in the House of Commons, we do not feel that we are slaves of the House of Commons. If we refer to some book by Karl Marx, Lenin or Stalin, and of we refer to certain instances which have taken place in Russia or China or to the national movements in the different parts of the world, does that prove that something ${ }^{18}$ dictated from Moscow or somewhere Are the Treasury Branches prepared to accept that the House of Commons is dictating to them ${ }^{\text {P }}$ Revolutions are taking place all over the world. Hon Members too refer to the great French revolution

Mr Speaker I remund the hon Member that there are other Members to speak on the cut motion
( Shri V.D. Deshpande : I shall finsh within five minutes.

The Congress has been also proud of the French Revolution Are they thereby prepared to agree that they are dictated from Paris? I do not think they will do it Sumilarly, to suggest that we are being dictated fiom Moscow is false, preposterous and absurd.

Shrı B Ramkrıshna Rao Is the-Communst Party of Inda subject to the Commform?

Shri V D Deshpande It is not The Communst Party of Inda is an independent party and is subject to no authority in the world I make this submission with all the responsibility at my command Having made that point clear, let me plead with the Chief Minister, if he is convinced of this, that such allegations should not be put in the House any more I shall not dwell any more on that point, and I will simply say that the Communsts in Hyderabad and the Communists in India are prepared to have people's India through normal and democratic forces, if they are not going to have a violent course They are prepared for that. - It is their chorce, and in the coming days, months, and years, it is for them to prove whether they are that or somethung else

Another point I wish to make clear is that we do not stand for socialism immediately in India. We stand for a planned economy even with a capitalist sector but under the control of a people's Government, which will be composed of the peasants, workers, muddle classes and such of the capitalists as are patrotic and want the soverergnty of India A very categorical statement I have made. We do not think it is immediately possible to have a Soclahist Government

Shri V.B. Raju - Is the hon. Member for progressive feudals ?
Shri V.D. Deshpande: No questıon of progressive feudais? Lock, stock and barrel we want to throw them in the ocean. So, it is necessary for us to understand each other.

Another cut motion is regarding jails. I, have good expernence, though it was a short period of one year and one month, of two lathi-charges, one flogging and mne months in solitary cell in the jall under the same efficient I.G.P. I was kept for nine months in Hyderabad Central Jail in a solitary ceilis I was lathi-charged, and even an interview was refused to my wife to see me. I had the honour to revolt aganst jall discipline. We were told that we cannot have newspapers even at our own expense. That is what is happening to a detenue against whom there is not a single charge. The Government was forced to release me when I put in a petition before the

## Demands for grants

Supreme Court and the Hyderabad High Court that a case should be launched against me or else I should be released If the present IG of prisons and his satelites could ruthlessly behave towards people who claim to have been the fighters for freedom in Hyderabad for the last 15 years what about the position of an ordenary detenue? The condition of the detenus in the Central Jail and other jalls is most unworthy of any People Government. The hon. Finance Minister observed the other day that they wanted to so change the jall conditions that they would become ideal, as ideal or even more ideal than those existing in the most progressive countries in the world But I find that if anyone wants to go and interview a detenue, he has to talk to him through a screen or jall If the wife of a detenue goes there to talk to him or wishes to see his face to know whether he is healthy or not, she has to see him through the jali This was made compulsory for a detenue, whereas in Bengal we find that the detenus are provided with all amenities, with all the income which they had when they were outside Say, for instance if a doctor was having a practice of about Rs 500 the Government will deduct the jail expenses and hand over the balance amount to his famuly. He is allowed all hiterature including communist herature He is not kept in a solitary cell Detention is only a preventive measure just to prevent a person from acting in a particular manner which the Government considers as not good My crst-whule colleagues, afew years back when they were in jall, submitted a memorandum regarding the conditions in Jail. Sawamı Ramanand Tirth when he was in Gulbarga Jail demanded this thing and that thing. Will the former President of the State Congress, who now happens to be the Home Minister, kindly peruse the above mentioned memorandum and will he kundly redress the grievances mentioned therein. When some of those on the Treasury Benches were in jail, they felt it necessary that the conditions in the jails should change, and now when we are in jails and our comrades are in jalls, they do not feel that necessity. Why ? First, we are opposed to detentron, but 4 f they are going to detain persons, at least they should not take away the facilities which those persons normally have if they are outside. If the Govt. thinks detention is something like a punishment, then put him in a dock, but of they are detaming a person for a 'particular reason, they should not be vindictive. It 18 for this purpose that I have put questions regarding the Sindhi officers in the Jail administration. The treatment in Jails is ruthless and vindictive. When I was in Bidar jail, I told the I.G. of Prisons that I wanted to put my grievances before him. Hie asked me to first go inside and then talk. But I told hm that 4. was not his servant and that I was a detenue for a certain cause.物路gad that he was insulted and that he was never insulted by mbady else and then he ordered a lathi-charge. I went on to get newspapers there was another lath1-charge

Shri Digambar Rao Bindu it is very unfair that individual officers should be referred to and attacked here when they have no chance to defend themselves

Shri V D Deshpande. The hon Home Minister has every opportunity to investigate the matter and reply. I am not speakong of any particular person.

Mr Speaker He has referred to him in his present official capactity

Shri Digambar Rao Bindu. He sand 'the I. G. of Prisons' and he has sald that he is doung this thing and that, etc. It is not in general, but against a particular officer.

Shri Papreddy : I would like to remind here that this was the general attitude of the officers when we were in janl.

Shri V.D Deshpande: Observations and concretisation have become necessary because we are charged of

Shri B Ramakrisna Rao - Terminological mexactitude.
Shri V D. Deshpande I am relating my personal experience which I am quite sure of, unless I was sleeping at that time.

So, I feel that it is absolutely necessary that the detenus in the Jail should be given all the facilities that they normally enjoy as in West Bengal and other places. My first plea is that nobody should be detained. In the Constitution, there is a provision for detention for three months, and of Government canno? have proof of the cause, then that Government has no right to exist normally. I, personally, and my party are against any preventive detention as such. We cannot influence you; probably there are other interests to influence you The policy should be fundamentally changed and the detenus should be given all facilities that they normally entitled to when they are outside.

In this respect, there is another misunderstanding. I wish to make it clear that our detenus inside the jails, will be observing discipline to ther possible extent, as long as they are treated as respectful citizens. They have been observing discipline, they will observe disciplitie in future also, provided it is a sort of respectul discipline, provided it is not a discipline which goes

My cut motion also relates to the Road Transport Department of the Government, a very delicate subject It will not be possible for me to express my views adequately At the outset, let me make it very clear that we stand for the Motor Meters, which the motor owners have been asked to instal Having made this point clear, I will just pass a few remarks on the policy of the State Road Transport Department A big strike of 48 days has taken place in the State of Hyderabad and I do not desire to go into the implications of it I feel there is a necessity to change the enture policy of the Government regarding road transport I had the honour, along with Dr. Jaisoorya, to explan this policy to the hon Home Minister To put it briefiy, we wish that the private motor cars should be used by the Government as a supplementary means of communication, in addition to the R T D and they should not look upon the private motor owners as someone, who are against them or are enimical to them If we are in a position today to run the entre transport in Hyderabad State, on all the roads, then, of course, the present problem would not have arrsen But it has often been explaned that we have nether resources nor funds at our disposal If that is the case, a private sector has to be maintained Some of the members on the other side may be surprised that a Communist is speaking like this

Shri V. B Raju - What the hon. Member suggests, then, is 'muxed economy'?

Shrt V. D Deshpande Yes, 'muxed economy' because that becomes necessary Until a state of complete socialism comes about, the private sector has to be mannaned, under the supervision of the People's Government and under the direction of a People's Policy

In the meanwhile, I shall plead with the Treasury Benches that the private motor owners should be accommodated I have moved through this big city, the future capital of Vishal Andhra I have found that there are many roads, on which no faculity of transport exists Even on the road leading to the MLA's quarters, there is no regular transport. Recently a has has been provided once in half an hour or so, but there is no to run their motors there? I think that will be helpful to the people and the people would welcome that. Therefore, as a supplementary to the existing transport, I think, the private sector can be allowed to operate. In view of the mixed economy which we now are supposed to have, in view of the agncultural set up of our country and in view of the lack of adequate capital in the hands of Government and keeping in mind that we stand for complete socialism-transport has got to be completely nation-alsed-we should allow private transport to operate for some tume In this respect, it is my sad experience that the State Transport Authority has no mind or is not so amicable to suggestions. We hope therr policies will be made known in the coming few days As far as the demands of private motor owners are concerned, the RTD has made it clear that they do not intend to accommodate the motor owners

Another point I wish to make clear is regarding the charge that some of the hon. Members made directly or indrectly, that we want to give away hundreds of rupees to these motor owners who are captalists Over $75 \%$ of the motor owners here are debtors to Saucars. A motor operator purchases a motor car for 5 thousand rupees He gets roo to II5 rupees a month for humself. He has to pay interest to the Saucar and he has to maintan himself If we go moto the statistics, we will find that over $75 \%$ of the motor owners are not big motor car operators, as such. We have got to protect them, if we want to have a mixed econony The other day, it was pleaded by the hon Member from Kalwakurthi that middlemens' interests should be safeguarded. Are not the motor car operators, middlemen; I am sure they are. Their 1 nterests must be safeguarded. They should be helped, without doing harm to the interests of the people? Therefore, I would plead, Sir, that as a majority of the motor owners in Hyderabad City and elsewhere in the Districts are middlemen-small people-theur interests must be protected. They should be accommodated. If the State Transport Authow rity follows this policy, it will not only be to their interests, and to the interests of the middlemen, but also it would help the public at large. I plead that the Road Transport Department should change its attitude in this respect I have also a Cut Motion to the Demand of R.T.D. I do not wish to make any lengthy observations on this; but, I weh that while Government spends lakhs of Rupees on Road Transport, they should see that the facilities and amenities which are necessary to the people are guven. There was a question of strike, some time back. But now I am glad that certain settlement has taken place. In this connection, I will
plead that just as attention will be paid and should be paid to increase the number of buses, the material factor-the human factor as the hon Finance Minister sard the other day-should be taken into account and the interests of the persons who are running those buses should be safeguarded and in no way should attempts be made to take away any privileges that they had earler enjoyed when they were a part and parcel of the Nizam's State Railway which has since been taken over by the Central Railway. I am pleading this because for a welfare state, it is absolutely necessary that the human aspect should also be taken into constderation

I again appeal to the hon Home Minister to disband all the armed forces in Telangana, to release all the detenus, to release all the under-trials and to release all the political prisoners who have been under a certain stuation charged by the Government of certain actions, I would also appeal to him to have a clean slate and to turn a new leaf by beginning a new policy which will, help all political parties here to follow a democratic path.

And lastly, 1 assure the Government that for a democratic path and for a really People's Government, we will be with the Govt. as long as they are with the people.
(Loud cheers from the Opposition Benches).

"It is stated that Mr. Somalingam was arrested while he was distributing lands procured illegally He is alleged to have challenged the authority of the Tahsildar appointed by the Government, Mr J. भीमति राजमनी देची ( ) अघ्यक्ष महोदय, पार्टी कील्गिग कोझी अेसी वीज नही है जिस ते लनता को फायदा हो । बजेट अेक असी चीज हु जिस से स्टेट के आम जनता को फायदा पसूचे । घंते पर परदा डालने के किये ये बाते कही जा रही है। हेकिन हम देख रहे हैं कि जनता के लिये बिसमे बर्च की अंसी चीजे नही है जिनकी वजहुसे जनता को फायदा और शाति ह्वासिल हो, बल्कि जनताका हाया दूसरे कामो मे हगाया गया है। बजेट अेक देश का अाधिक नकहा है, जो देश को विगाउता और बनाता है। किस लिये हुम को चाहिये कि बजेट को मजूर करते वक्त पार्टीबाजी को अल्लाहिता रखकर क्षेशा की और भाम जनता की आर्थिक ह्वालत को दुरस्त करने के लिये हम सब मिलकर बजेेट को मजूर करे और ठीक तोर पर खबं व निगरानी करनेका खियाल रसें।

हमारे अेक आँनरेबल मेम्बर मे कहा कि गाव में हल्यायें नही हो रही है। लेकिन मे कहुगी कि पोलीस के लोग जनना को सता रहे हैं। बीर हिदुस्तान की महिलाओो पर अत्याचार हो रहा हैं। अंसी पूरत में हम सबका फर्ज हैं कि जहा हमारी महिल्गाओ के बारूप्टपके वहा हमारा बून टपकाया अयय। मै अगर पोलीस के मजालिम की पोथी खोलना चाहु तो बहुत कुछ सोल सकर्ती हु। राजा पेठ में बेक जगह हैमारी औरततो को अुल्टा लटका दिया गया जिससे जुनके हाथो का चमडा निकल गया या किसी प्रकार आॉनरेबल् मेम्बर श्रीमति कमला देवी के गाव कुलप्न्नाक मे लोगो की वेकिज्जती हो रहीथी ओर भुनपर जुल्म हो रहा था। जब हम को मालुम हुआत तो हमने अेक बजे रात को णा कर अुन्हे छुडाया । हमारे ऊॉनरेक्रल्ट्रेजरी मेम्बर्स कहते है कि हम पर विशवास्स किया जाय। मै कहती हैं कंसे ह्रालात मे कैसे विश्वास किया जा सकता है? पहले हमारी हुकूमत् अवी ह्टोगली थी। लेकिन घह कैसा नही होना चाहिये। क्यो कि अब प्रजाराज है। विसलिये मे कहती हू कि पोलीस बजेट में फमी फरके गाव सुषार के लिये वह पैसा काम मे काया जाय तो बेहतर होगा। बिस से हुकूमत का भी नाम होगा और गाववालो का भी फायदा होगा। हमारे अर्य मभी ने भी कहा था कि पोलीस केंड में कमी करवी जायेगी। लेकिन यह पहले $७$ करोड का बजेट था। अब तकरिबन् $५$ करोड का जो घजेंट रखा गया है वह्ह क्या है ? में विन से प्रार्थना करती हू कि यहृ कम कर दिया जाया छोर वाह बो हृ्नारी हीरतों पर अत्याच्चार हो रहा है अुसको बद करने की कोशिश की जाय। मोजुदा中ेटदें रोंबवल किया जाय तो जनता को फायदा हो सकता है।
