OATH OR AFFIRMATION

Mr. Temporary Speaker: -I have great pleasure in welcoming you to this first meeting of the Legislative Assembly after the General Elections.

Under Article 188 of the Constitution of India, the hon Members are required before taking their seats, to make and subscribe the Oath or Affirmation. The names of Members who have to make and subscribe the Oath or Affirmation will now be called by the Secretary one by one. The hon. Chief Minister will be called first and thereafter the names of Ministers, Ex-Chairman, Ex-Ministers, Lady

Members and finally other Members in the order in which their names appear in the alphabetical list, will be called.

On the name of a member being called by the Secretary, he will proceed from the place he is occupying to the right side of the Secretary's table, where a copy of the form of Oath or Affirmation will be handed over to him, on production of the certificate of election. The member will face me while making the Oath or Affirmation and will then shake hands with or wish me when I will accord him permission to take his/her seat in the House. The member will thereafter pass behind my chair to the other side of the table where he/she will sign the Roll of Members. After signing the Roll, he/she will take his/her seat.

Each Member after making the Oath or Affirmation and after subscribing his/her name in the register kept for the purpose, will be entitled to take his/her seat as a member of the Andhra Pradesh Legislative Assembly. I may say that except Ministers and Lady Members in the Congress, no seats have been reserved and hon. Members may, for the time being, occupy any available seat. The Speaker after his election will settle the order in which the other hon. members shall sit.

I would request hon. Members to remain in their seats till such time as the last member has made the Oath or Affirmation.

Under Article 188 of the Constitution, 'every member of the Legislative Assembly or the Legislative Council of a State shall, before taking his seat, make and subscribe before the Governor, or some person appointed in that behalf by him, an oath or affirmation according to the form set out for the purpose in the Third Schedule.' The Member should take the oath before taking his seat. But the Members have already taken their seats.

*Mr. Temporary Speaker:* The Members are simply sitting. Otherwise, they have to sit outside. Till they take the oath, they are not Members.

Now, let us continue Swearing-in of Members.
