## SUPPLY OF COAL TO THERMAL POWER STATION

\*146 -Q- Sri V.Satyanarayana:-Will the Chief Minister be pleased to state:

(a) whether coal. required for all the thermal power stations in the State is being supplied in required quantities at present;

(b) if not the steps taken to ensure supply of required coal to all the thermal power stations in the State; and

(c) the quantity of coal required and supplied at present?

A -

(a) & (b) No Sir. Coal allocations for thermal power stations located in the State are decided upon by an Inter-ministerial Standing Linkage Committee constituted by the Government of India. This Committee finalizes coal supply linkage on a quarterly basis duly taking into account availability of coal. Further, such linkage is provided using transportation by both rail and road. In practice, the Committee has been finalizing coal linkage to each thermal plant sufficient to achieve 68.5% Plant Load Factor. However, the average Plant Load Factor achievement of thermal stations in the State has been well above this level, and infact the average Plant Load Factor achieved in 1995-96 was 78.16%. Consequently, the Andhra Pradesh State Electricity Board has to inevitably finalize the purchase of additional quantities of coal either from Singareni Collieries Company Limited or from Coal India Limited and also arrange for transportation of the same.

(c) The answer is placed on the Table of the House.

#### POWER GENERATION PLANTS AT VISAKHAPATNAM JEGURUPADU, ETC.,

\*518 -Q- Sarvasri N. Raghava Reddy. B. Venkateswara Rao, Jakka Venkaiah, and Paturi Ramaiah :-Will the Chief Minister be pleased to state:

(a) the Stage at which the installation of power Generation Plants at Visakhapatnam, Jegurupadu, Kakinada, Krishnapatnam stands at present; and

(b) the time by which they are likely to generate power ?

A -

(a) & (b) The present stage of installation of Power Generation Plants at Visakhapatnam, Jegurupadu, Kakinada and Krishnapatnam is as follows:

1. JEGURUPADU GAS BASED THERMAL POWER STATION (215 MW): The project has received all the statutory clearances necessary. The Modified and Restated Power Purchase Agreement has been concluded on 19-4-1996. The first gas turbine generator has been declared to be on commercial operation on 6.8.1996 and delivering 45.8 MW to Andhra Pradesh Electricity Grid. The erection works on second and third gas turbine and the steam generators along with their auxiliaries are under progress, and are expected to be commissioned during October, 1996 and December, 1996 and the combined cycle operations are expected to commence by 6/97.

2. KAKINADA GAS BASED THERMAL POWER STATION (208MW): The project has been cleared by Central Electricity Authority. All the statutory clearances are available for the project. The Modified Power Purchase Agreement concluded on 13.7.1994 is under revision. The civil works of the project are under progress. The first gas turbine generator is expected to be commissioned during September, 1996. The second and third gas turbine generators are expected to be commissioned during December, 1996 and January, 1997 respectively. The combined cycle operation is expected to be commenced by July, 1997.

3. 1040 MW VISAKHAPATNAM COAL BASED THERMAL POWER STATION: M/s. Hinduja National Power Corporation Limited have originally signed Power Purchase Agreement with Andhra Pradesh State Electricity Board on 9.12.1994 which is being revised after negotiations with the developer and the draft 'Amended and Restated' Power Purchase Agreement has been submitted by the A.P State Electricity Board to Government of Andhra Pradesh on 17.8.1996 for approval and onward transmission to Government of India. The matter is under consideration by Government of Andhra Pradesh. M/s. Hinduja National Power Corporation Limited have submitted revised detailed project report in 3/96 for a plant capacity of 1040 MW (2 X 520 MW) at a cost of Rs. 4318 Crores. The Central Electricity Authority, New Delhi has issued Techno Economic Clearance for the project on 25.7.1996 for a completed project cost of US \$ 943.75 Millions + Rs. 1324.993 Crores. The financial closure is expected to be achieved by the Company by December, 1996. The works on the project are likely to be commenced thereafter and the first 520 MW unit is scheduled to be commissioned in 38 months (February 2000) and the 2nd 520MW unit in 44 months (August 2000) from the date of financial closure.

4. KRISHNAPATNAM COAL BASED THERMAL POWER PROJECT: Power Purchase Agreements were signed with M/S.G.V.K. Power Limited, Hyderabad on 23.11.1994 for implementing 500 MW Krishnapatnam 'A' Project and M/s. BBI Power Inc., USA on 24.11.1994 for implementing 500 MW Krishnapatnam 'B' Project. Central Electricity Authority accorded in principle clearance to M/s.G.V.K.Power limited for Krishnapatnam 'A' Project and the same is awaited in respect of Krishnapatnam 'B' Power Project. The modified and restated Power Purchase Agreements are being negotiated with both the developers.

#### SEIGNIORAGE CESS ON SAND.

\* 547 -Q- F - Sri K.Subba Raju:- Will the Minister for Mines and Geology be pleased to state:

(a) whether it is a fact that the Government have abolished Seigniorage Cess on Sand at many ferries in the State;

(b) whether it is also a fact that the contractors are forcibly collecting Seigniorage Cess from the users of sand;

(c) if so the steps taken by the Government to check the same ?

A -

(a) Yes Sir, it is fact that the Government had decided from exception of sand quarries without any charges being devoid cloatation of send quarries without any charges being levied or collected with effect from 1st April, 1994. However , the Hon'ble High Court news ordered status quo in respect of policy.

(b) The lessees were collecting Seigniorage fee from the users of sand in areas, where status quo is ordered by the Hon'ble High Court and the lessees are allowed to continue quarry operations.

(c) Government has filed counters in Hon'ble High Court and cases are pending before Divisional Bench of High Court.

#### **FINANCIAL PROBLEMS OF ANDHERA PRADESH COOPERATIVE RICE MILLS FEDERATION**

\*3030 -Q- Sarvasri Bandi Hulikumtappa, K. Ramakrishna and P.Kesav:-Will the Minister for Cooperation be pleased to state:

(a) whether it is a fact that the A.P. Cooperative Rice Mills Federation is facing problems;

(b) steps taken to help Federation?

A -

(a) Yes. Sir.

(b) The RICEFED was ordered for liquidation under section 64 of A.P.C.S. Act as the Society had been incurring heavy losses since its inception and as on 1993-94, the accumulated losses amounted to Rs. 152.21 lakhs. The

Society had to discharge liabilities amounting to Rs.278.96 lakhs to different financial institutions and Government towards margin money and other loans. The audit of accounts was in arrears since 1988-89 and the books of accounts of the RICEFED were not written up-date. Hence the affairs of the Society was ordered for winding up and a liquidator was appointed to discharge the liabilities by realising the assets and, if necessary, by sale of its properties and by retrenchment of the employees, to pay off the debtors. The staff members were ordered for absorption in other departments and all 39 employees working in RICEFED as on the date of Winding up, have been absorbed in other Departments. The Liquidator, as per the provisions of the Act, has to wind up the affairs of the Society expeditiously. Hence there is no need of financial assistance to the society which is under liquidation.

**SANCTION OF LOANS FOR REMOVAL OF SAND BY COOPERATIVE CENTRAL BANK IN KARIMNAGAR DISTRICT.**

\*3070 -Q- Sarvasri Ch. Vidyasagar Rao, P. Ramaswamy and Baddam Bal Reddy:- Will the Minister for Cooperation be pleased to state:

(a) whether it is a fact that the Karimnagar District Cooperative Central Bank advanced sums for the flood affected villages of Dammannapet of Medipally Mandal and also Chevulammaddi of Metpally Mandal for the removal of Sand castings;

#### POLLUTION OF PULICAT LAKE

\* 2641 -Q- Sri S. Chandra Mohan Reddy:- Will the Minister for Forest & Environment be pleased to state :

(a) whether it is a fact that the Pulicot Lake situated on the borders between Tamilnadu and our states near Sullurpet in Nellore District attracts a variety of birds and is a rich source for marine products;

(b) whether the Tamil Nadu Government permitted the location of Thapar Dupont American Nylon Plant with a capital expenditure of Rs.1,500 crores on the edge of Pulicot Lake, which manufactures dangerous chemicals like Hexamethylene, Dairing Farmeremite, Chloropharm, Floromethin, Carbon disulphite Iodine acid etc, which find their way into the Public Lake; and

(c) if so, whether our Government would take up with the Tamilnadu Government to prevent pollutants from entering Pulicot Lake ?

A -

(a) Yes, Sir.

(b) & (c) The Tamilnadu Government has issued permission to M/S.Thapar Dupant Ltd., on .27-10-95, at Pappamkuppam Village, Gummadipudi Taluk, Changalpatu, MGR District for the manufacture of Nylon Industrial Yarn and Nylon Fabric at an estimated cost of Rs.625 crores, using the raw materials such as Hexamethylene Diamene, Adipic Acid, Phosphorous catalyst, Copper Antioxidant Halide Stabiliser. On enquiry the Tamilnadu Pollution Control Board has informed that the contention of discharging the trade effluents to the Lake seems to be unfounded because the treated effluents are utilised to water the trees in an extent of 85 acres owned by the industry.

#### ALLOTMENT OF FOREST LAND TO UNEMPLOYED YOUTH

\* 2838 - Sarva Sri P.Nageswara Rao, K.Ramakrishna, K.Biksham, G.Mallesha and M.Anjaneyulu:- Will the MINISTER FOR FOREST & ENVIRONMENT be pleased to state:

(a) whether any scheme is under contemplation to allot forest land to the unemployed youth in the State; if so, the time by which the said proposal is going to be implemented;

(b) whether world bank is extending any assistance to the implementation of the said scheme; and

(c) the number of unemployed persons likely to be benefitted under the scheme ?

A -

(a) There is no scheme under contemplation to allot forest land to the unemployed youth in the State.

(b) The World Bank is not extending any assistance to allot forest land to unemployed youth.

(c) As there is no such scheme, the question of number of unemployed persons likely be benefitted under the scheme does not arise.

#### COLLECTION OF BEEDI LEAF

\* 3334 -Q- Sarvasri Paturu Ramaiah, B.Venkateswara Rao, M.A.Gafoor, S.Venkata Veeraiah, Kunja Bojji, K.Ramulu, N.Rama Mohan Rao,

and Ch. Raji Reddy:- Will the Minister for Forests and Environment be pleased to state:

(a) whether it is a fact that beedi leaf could not be collected during 1996 at several centres in East and West Godavari and Krishna Districts and if so, the reasons therefore;

(b) if so, whether the Government are aware of the consequential loss of income and sustenance to the tribals;

(c) the reason, why the Government has not introduced the system of beedi leaf collection as in Telangana areas atleast in centres where contractors are not coming forward to ensure livelihood to the tribals; and

(d) The action taken by the Government to do so atleast in future to help the tribals?

A -

(a) Yes Sir, it is a fact that some Beedi Leave units could not be sold (could not be collected) in East and West Godavari and Krishna Districts inspite of several attempts made for sale of the units during 1996 season for the following reasons.

1. The Beedi Leaf is scattered and poor in quality.

2. The investment to be made by the purchaser is heavy compared to the revenue fetched by them.

3. Extremist activity is also one of the reasons in Agency areas due to which the bidders are not coming forward to purchase the units. This is more so with units of Rampachodavaram and Yeleswaram which could not be sold in 1994 and 1995 seasons.

4. In View of the cyclonic rains received during May, 1995 almost all the contractors incurred heavy losses.

(b) Yes Sir, There is some loss of income to the tribals. However, the Beedi Leaf is only one of the many M.F.P. items on which the tribals get sustenance.

(c) In Telangana region a special scheme is sanctioned with a complement of staff for collection of beedi leaf. It is not economical to extend the scheme to Andhra region, in view of small quantity of poor quality of leaf available over a large area.

(d) The Government have no plans to extend the scheme of beedi leaf collection as in Telangana Region to other parts of the State. For the reasons stated in (c) above.

### DESTRUCTION OF RED SANDERS DUE TO FIRE ACCIDENT IN CHITTOOR GODOWN.

\* 3374 -Q- Sarvasri G.Vijayarama Rao. G.Krishna Yadav, S.Venkateswara Rao. K.Viswanadham , B.Sarjananda Rao and K.Sada Siva Reddy:- Will the MINISTER FOR FORESTS AND ENVIRONMENT be pleased to state:

(a) the quantity of Red Sanders available in Andhra Pradesh every year; and

(b) the quantity of the same destroyed in fire accident in Chittoor district Godown recently and the details thereof ?

A -

(a) Redsanders trees occur over an area of about 1.75 lakh has in Andhra Pradesh in the districts of Cuddapah. Chittoor. Kurnool and Nellore. There is no extraction of Redsanders wood carried out from these forests for the present. However, because of its high value in international market some illegal fellings and smuggling takes place. The smuggling is checked effectively by the Government by deploying various special parties. They have been seizing the produce while under smuggling. The following is the stock position of Redsanders wood seized during the last five years.

#### SEIZURES UPTO

1990-91	1286.206 MT
1991-92	72.310 MT
1992-93	78.264 MT
1993-94	139.140 MT
1994--to '96	100.000 MT

---

1675.920 MT

(b) No Redsanders wood under the control of Forest Department (Government) is lost in fire in Chittoor District. However, Redsanders wood was destroyed in a fire in the night of 28.6.96 at Renigunta in Chittoor District in a private Depot owned by one Sri A.J.Peter. This wood had been collected from Private lands and stored in a private depot at Renigunta which was stated to have been lost de to fire accident. A discreet enquiry by the Forest Department Officials has revealed that only a quantity of about 123.00 MT was lost due to fire.

**ACHIEVEMENT OF "POWER SURPLUS" FOR INDUSTRIALISATION**

3137 - Q - Sri K Ram Bhupal Reddy - Will the Chief Minister be pleased to state:

(a) whether it is a fact that the share of industry in total sales of electricity in A.P. is only 26% against 32.2% in Karnataka, 39.3% in Maharashtra and 43.30% in Orissa, and

b) if so, the steps taken to achieve "Power Surplus" for future Industrialisation?

A -

(a) Yes sir, The share of supply to industrial consumers in the mentioned States in percentile terms is as follows

State	HT Indl	LT Indl.	Total
Andhra Pradesh	22.01	4.88	26.89
Karnataka	25.08	6.13	31.21
Maharashtra	30.91	4.39	35.30
Orissa	34.85	10.59	45.44

The category wise details are furnished in the Annexure enclosed.

(b) The existing installed capacity as on 31-3-1996 is 6155 MW including 897 MW of Andhra Pradesh share from central Generating Station in Southern Region.

The following capacity additions aggregating to 8612 MW are programmed for achievement upto 2001-02.

a) State Sector	..	1550	MW
b) Private Sector, including Short Gestation Project	..	4484	MW
c) N.T.P.C.	..	1712.5	MW
d) Mini Power Plants	..	2210	MW
e) Joint Sector (Gas Power)	..	160	MW
f) Central Sector Share	..	90	MW
g) Non-conventional	..	405.5	MW

Total Additional Capacity	..	8612	MW
---------------------------	----	------	----

The State is expected to be power surplus by 2000-02.

### A.P. STATE MINORITIES FINANCE CORPORATION

3247 -Q- Sri Asaduddin Owaisi - Will the Chief Minister be pleased to state :

(a) whether it is a fact that the State Government have allotted amount to the A.P. State Minorities Finance Corporation, Hyderabad to give loans to the people belonging to Minority Communities for the year. 1996;

(b) whether it is also a fact that the Corporation has allocated majority share of the funds to the Andhra Districts where the minority population is in less number and less funds being allotted to Telangana Districts where the minority population is more:

(c) if so, whether the Government will consider this issues and distribute the funds in proper way; and

(d) if not the reasons therefor ?

A -

(a) Yes Sir.

(b) No Sir. The allocations among the Districts are made purely on the basis of minority population in the Districts. Hence the question of making short allocations to the Telangana Districts where the monority population is more is not correct.

(c) Does not arise.

(d) Does not arise.

(d) if so, the reasons for not completing all the houses so far and time by which they are expected to be completed?

A:-

(a) Yes. Sir.

వ్రాత పూర్వక సమాధానములు

(b) During the year 1991-92, 32 houses were sanctioned to Bcs. at Rachalapally village, under Rural Permanent Housing but not in the year 1990-91, as mentioned in the question. Out of the above 32 houses, so far 30 houses are completed leaving a balance of two houses which are at different stages.

At Vallabharaopally village of Midigil mandal, 15 houses were sanctioned to Bcs during the year 1993-94 under ACDP. Out of the 15 houses sanctioned, so far 11 houses are completed and the remaining 4 houses are at various stages.

(c) The following are the details of houses sanctioned, completed and balance houses to be completed etc., pertaining to colonies mentioned in the question:

Name of the Colony	No. of houses sanctioned.	Year/ Scheme	No. of houses completed	Balance houses to be completed.
Vaspula	35	ACDP 93-94 20 SC+15 BC	23	12
Ramreddypally	30	1993-94 30 BC.	27	03
Repalle	10	ACDP 93-94 10 SC	05	05
Thimmaipally	20	ACDP 92-93 and 93-94 20 BC	13	07
Midigil	20	ACDP 93-94 20 BC	15	05

(d) The former A.E. who was incharge of the above housing colonies, has failed to handover the Acquittance registers after his transfer from Kalvakurthy section to Gadwal section after lapse of (10) months, to his successor A.E. Hence the delay in completing the houses so far. Disciplinary action is being initiated against the A.E., and instructions have been issued by the MD, APSHCL, to the Dist. Manager (Housing), Mahaboobnagar District to complete the balance houses assigning top priority fixing a time frame for completion.
